

# Directions to the Museum of London

## 1. Access

### **Location**

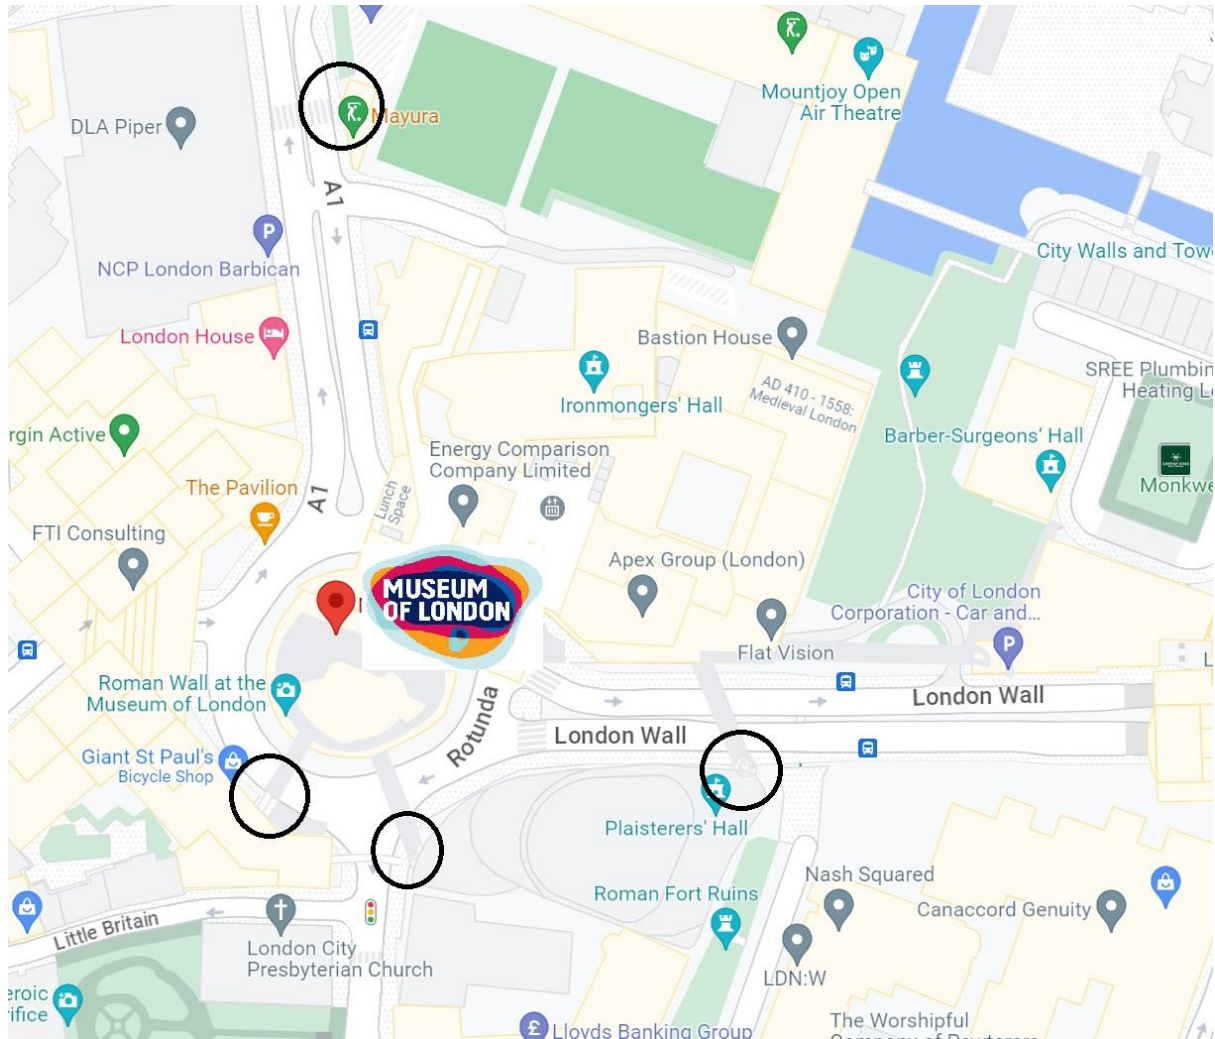

Museum of London  
150 London Wall  
London  
EC2Y 5HN

**Nearest Underground:** St Paul's, Barbican or Moorgate.

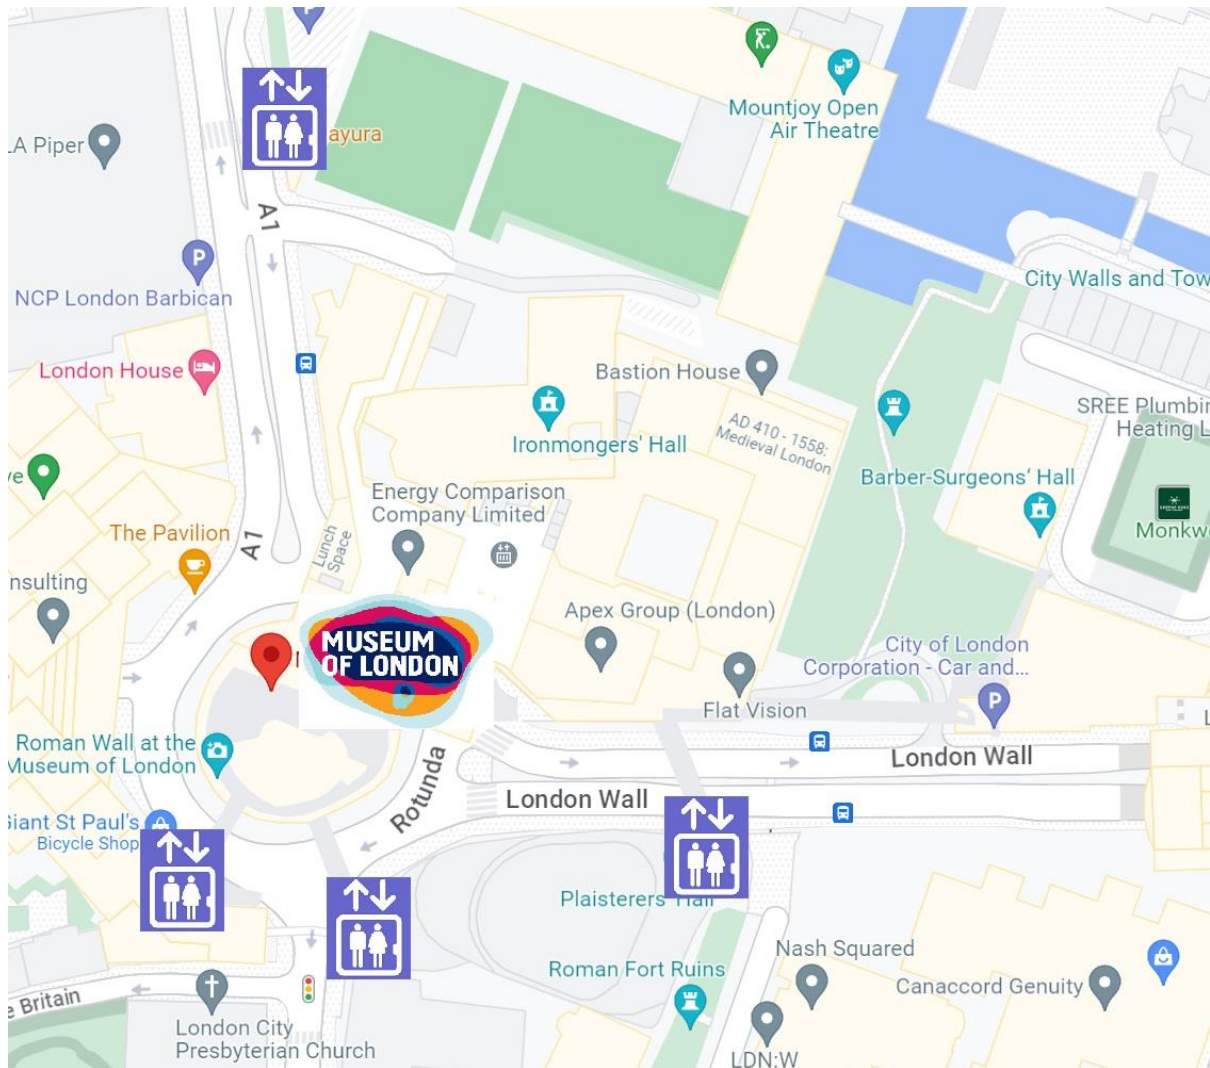

The Museum of London is sign posted from all three local tube stations. The Museum is accessible from the City of London High Walk.

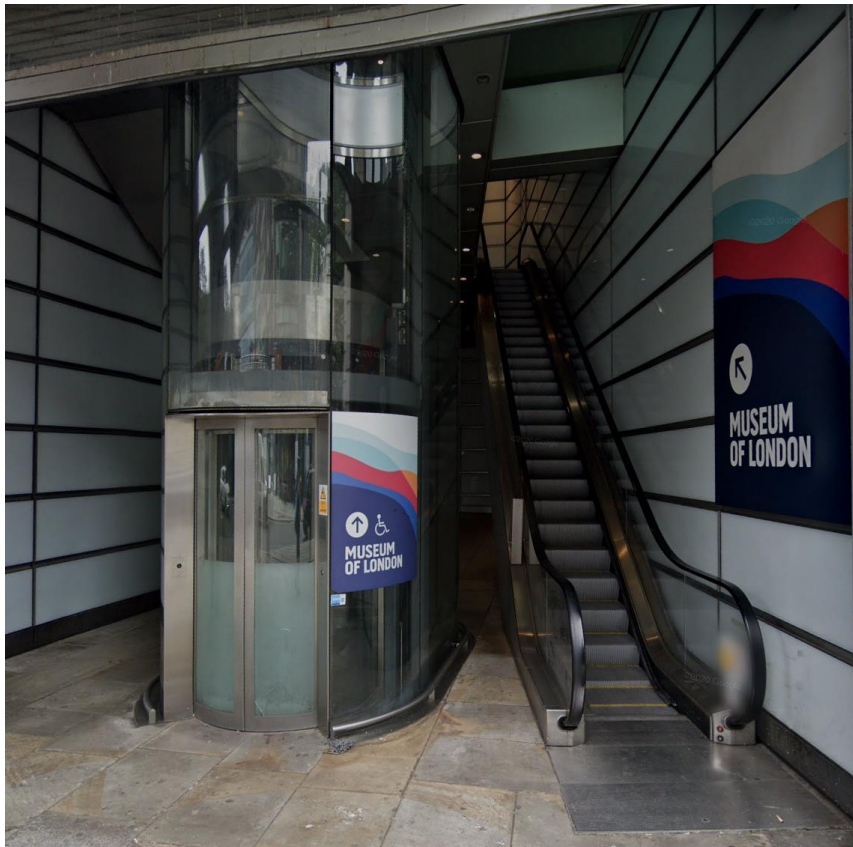

## Foot access:

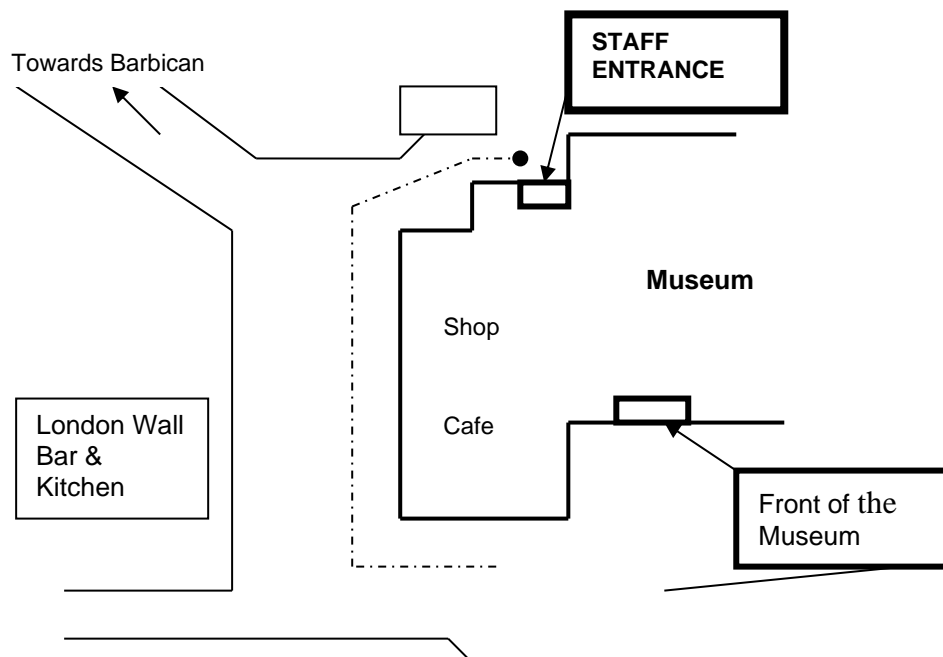

## Lift access:

The Museum of London entrance is situated above street level on the Barbican high walk and is accessible via lifts, escalators and several staircases. The main entrance from street level is on St Martin Le Grand Street by the roundabout, opposite Pret.

**The Entrance to the main foyer is at the front of the Museum**

## Accessibility

There is good access provided to the Museum from London Wall itself into the venue. Within the venue there are access lifts to each floor and various other accessibility functions throughout the building.

Please ask your Event Manager for further information if required.
